Dear Mr. Manikandan

Greetings from Research and Scientific Innovation Society!!

As per your application, you are selected as a Reviewer in the International Journal of Research and Innovation in Applied Science (IJRIAS).

Peer review and reviewers – are at the heart of the academic publishing process. Being a Reviewer of the journal is truly productive, pleasant, and prestigious, which helps add-on to the academic world through the ways and guidelines given by experts in the relevant fields. You will be entitled following benefits while working with us as a Reviewer of the journal.

Benefits

- You can add your role as a Reviewer for the International Journal of Research and Innovation in Applied Science (IJRIAS) *through Art* to their CV.
- This work helps to add in and provides a better way to create your identity as a well-known expert in your field and may lead to increased invitations to speak at conferences or demand for invited research of your specialized area.
- You will be among the contributors who will shape and decide the urgent ways as required with changing societal needs.
- You will come across the latest research before everyone else and gives you a position of leadership in your research community.
- Reviewers could enjoy discounts on Article Processing Charges if they publish articles/refer to RSIS Journals.

Roles & Responsibility

- Providing written, unbiased, constructive feedback on time.
- Notifying the Editorial Office immediately if unable to review on time and, if able, provide alternative reviewers' names.
- Refraining from direct author contact.
- Careful examination of purposes and objectives of the work carried out.
- Correctness of the conclusions and recommendations along with up-to-date references
- Coverage areas of the manuscript in relevance with the scopes of journals

The acceptance of the following terms and conditions confirms your appointment as a Reviewer.

- Your appointment is initially for one year.
- You are expected to carefully observe general policies which may change from time to time based on expansion plans for the improvement in the quality of the journal system.
- You agree to display your name on the website of the site.

Termination

It is expected that you will complete the term as stated. This agreement may be terminated at any time based on the following conditions.

- Lack of mutual understanding on common aspects as per the policies of the journal.
- Repetitive unsatisfactory performance of the assigned work

The duration of Membership will be 1 Year starting from March 2023 to February 2024, later on, members need to resubmit the application form and the committee will decide for further process.

Thanks & Regards

Ayushi,

Publishing Assistant

Editorial Office – Research and Scientific Innovation Society (RSIS) Journals.
